

Action plan based on the student feedback received in the 2nd semester of the 2020/2021 academic year

Department: Genetics Cell- and Immunobiology

Faculty: ED_ FOKOGEN181_1A

Our feedback on general comments by the students:

The questionnaire was submitted by 16 of 35 students, no written comment was received.

Strengthen: Based on the K2, K4-6 in general, the students were satisfied with the organization and usefulness of the lectures and the practices.

Proposal: We plan to better involve students in lectures, and make them more interactive by question pools, and games to improve activity.

Based on K9, the students successfully used our website and the Moodle interface for learning.

The general evaluation (K13) was over the Faculty average.

Our feedback on specific comments on mandatory subjects:
