

Action plan based on the student feedback received in the 1st semester of the 2024/2025 academic year

Department: Genetics , Cell- and Immunobiology

Faculty: EPh Basic Immunology GYKGEN070E1A

Our feedback on general comments by the students: The feedback results for Basic Immunology subject are equal to the faculty average.

Number of students, who filled the OMHV evaluations prior to registration for the exams is 14 out of 32 registered students.

As EPh Student do not have practice in Basic Immunology, **the answers for Q06, Q07 are not relevant.**

We record the voice of the lectures and upload the voice completed version of the live lectures, as we have experienced this helps a lot to study properly. Moreover in order to increase the interest of students for the subject we have developed a bonus system according to the next: A total of 30 bonus points can be collected during the semester as follows: along the semester 3 points minitests at the end of the lectures in a maximum of 30 points can be collected. Depending on the number of points collected, bonus points are added to the test scores achieved in the successfull exam, according to the next:

points collected in the lectures	bonus point added to the exam points
28-30	7
25-27	6
22-24	5
19-21	4
16-18	3
13-15	2
10-12	1

In a total 15 students have collected at least one bonus point, and nine of them improved the exam grades by that.
